

Directions to Trail Run Locations

Ciaiola Preserve

Take Rte. 37 North toward Sherman and make a left onto Haviland Hollow Road. The entrance to Ciaiola is a few hundred yards up on the right.

Pootatuck State Forest

Take Rte. 37 to Pine Hill Rd. The road climbs for about 1 1/2 miles and just before it ends, there is a road to the right (sign also says "Pine Hill"). Take this road a short ways to the end and you'll see some forest/hiking signs and a parking area... that is where we meet. Note- if you miss this last "turn" toward Pootatuck, the main Pine Hill Rd. ends a short distance up... so just come back.

Short Woods Trails

From town center, take route 39 towards lake, make first left onto Shortwoods Rd, go about 2 ½ miles. Trail parking is on the right
